

NAVIGATING KENTUCKY'S ROAD FUND

This guide provides a better understanding about how transportation funding works in Kentucky. The information at the QR codes includes additional educational resources that answer some of the most frequently asked transportation funding questions.

Transportation is key to the Commonwealth's economy and the quality of life for all Kentuckians. With a better understanding, we can more efficiently work together to move Kentucky forward.

Current as of December 2022

Kentucky's Road Fund | **\$2.6 Billion**

ROAD FUND RESOURCES
